4. [REDACTED] THIRD AGENCY Received a call from Jackie Nufrio, in the office of Deanne Seimer, General Counsel, Department of Defense. Ms. Nufrio said that she was calling in response to the inquiry I had made to [REDACTED] Office of the General Counsel, National Security Agency, regarding whether or not Ms. Seimer had been able to contact House Committee on Standards of Official Conduct Chairman John J. Flynt (D., Ga.). Ms. Nufrio said that Ms. Seimer had made several attempts to contact Chairman Flynt but that her calls had not been returned. Ms. Seimer wanted to know whether it was our desire that she make further attempts to contact Chairman Flynt regarding the question that had arisen as to the kinds of information made available to Committee staffers at NSA. I told Ms. Nufrio that we did indeed remain interested in having Ms. Seimer speak to Chairman Flynt. Ms. Nufrio later called back to report that Ms. Seimer had made contact with Chairman Flynt and that the conversation had gone well.
